

# General Assignment Rubric

Activity: Assignment #1

Course: Engineering Project Management

Name: Amey Mahendra Thakur

Criteria	Unconscious competence (Mastery)	Conscious competence (Learning)	Conscious incompetence (Awareness)	Unconscious incompetence (Ignorance)	Criterion Score
Completeness and accuracy	15.000001 points Completeness, accuracy and a large effort were very apparent. This demonstrates concepts that would be seen as well above average ✓	11.25 points Concepts of Completeness and accuracy were met with an average effort being apparent	7.5000005 points Effort to meet the "Bare minimum" was apparent in regards to your Completeness and accuracy	3.7500002 points An attempt was made with little effort or care given to completeness and accuracy	15.000001 / 15.000001
Demonstrated understanding of relevant concepts	25 points Demonstrated understanding of relevant concepts and a large effort were very apparent. This demonstrates concepts that would be seen as well above average ✓	18.75 points Demonstrating and understanding relevant concepts was met with an average effort being apparent	12.5 points Effort to meet the "Bare minimum" was apparent in regards to your Demonstrating understanding of relevant concepts	6.25 points An attempt was made with little effort or care given to Demonstrated understanding of relevant concepts	25 / 25
Clarity of explanations	20 points Clarity of explanations and a large effort were very apparent. This demonstrates concepts that would be seen as well above average	15 points Clarity of explanations were met with an average effort being apparent ✓	10 points Effort to meet the "Bare minimum" was apparent in regards to your Clarity of explanations	5 points An attempt was made with little effort or care given to Clarity of explanations	15 / 20

Criteria	Unconscious competence (Mastery)	Conscious competence (Learning)	Conscious incompetence (Awareness)	Unconscious incompetence (Ignorance)	Criterion Score
Logically supported conclusions	20 points Logically supported conclusions and a large effort were very apparent. This demonstrates concepts that would be seen as well above average ✓	15 points Concepts of Logically supported conclusions were met with an average effort being apparent	10 points Effort to meet the "Bare minimum" was apparent in regards to creating Logically supported conclusions	5 points An attempt was made with little effort or care given to Logically supported conclusions	20 / 20
Research and Resources	10 points Research and Resources and a large effort were very apparent. This demonstrates concepts that would be seen as well above average ✓	7.5 points Proper use and recording of Research and Resources were met with an average effort being apparent	5 points Effort to meet the "Bare minimum" was apparent in regards to Research and Resources	2.5 points An attempt was made with little effort or care given to Research and Resources	10 / 10
Professional Appearance	10 points Professional Appearance and a large effort were very apparent. This demonstrates concepts that would be seen as well above average ✓	7.5 points Concepts of Professional Appearance were applied with an average effort being apparent	5 points Effort to meet the "Bare minimum" was apparent in regards to creating a Professional Appearance	2.5 points An attempt was made with little effort or care given to Professional Appearance	10 / 10

Total

95.000001 / 100.000001

## Overall Score

Unconscious competence (Mastery) ✓

Conscious competence (Learning)

Conscious incompetence (Awareness)

Unconscious incompetence (Ignorance)
